1. I am an adult competent to testify about the matters set forth below based upon my personal knowledge. I currently reside in Uintah County, Utah. I have lived in Uintah County 64 years.

2. I have traveled and am familiar with a road in Uintah County known as the Buck Canyon Road. I am also familiar with the land the road traverses. When I first used and observed the road in the late 1940s and early 1950s, it followed the same route as March of 2006, when I last observed it. Attached is a Uintah County map showing Buck Canyon Road. To the best of my knowledge and based upon my use of and familiarity with this road and the land it traverses, the location and route of the road are correctly illustrated on the attached map.

3. I am informed that the County identifies this road according to the road number described above.

4. I have observed that the road has been open to the public for all to use, to come and go as they pleased, since at least as early as the late 1940s and early 1950s and continuing through 1976 to March of 2006. During this time period I have observed travel on the road by various means, including horseback, horse-drawn wagon, car, and truck. During this time period, the road has been used daily.

5. During the time period from the late 1940s and early 1950s to March of 2006, I have used the road myself for the following uses: livestock operations, recreation, hunting and oil and gas exploration or development.

6. During the time period described in the previous paragraph, I observed vehicles using the road at various times for the uses described in the previous paragraph plus the following uses: mining, prospecting for minerals, oil and gas exploration or development, wood gathering, traveling in and through the area and government access.

7. It is also the reputation in the community that this road has been open to the public for all to use, to come and go as they pleased, since at least as early as the late 1940s and early 1950s and continuing through 1976 to the present, for the uses described in the previous paragraphs.

8. I observed the following evidence of construction and maintenance performed on the road prior to 1976: graders and other equipment operated by Uintah County and other entities building and maintaining the road since the late 1940s and early 1950s.

Dated this 16 day of October, 2006.
